

PLEASE HELP SUPPORT VOLUNTARY SPAY & NEUTER

Help Your Community Offer These Services to Those in Need

Many pet owners who would like to alter their pets cannot afford to do so in these difficult economic times.

Your contribution to the **Municipal Shelter Spay - Neuter Fund** on your 2009 California Income Tax form will be used to make grants to California shelters offering free and low-cost spay and neuter services to those in need.

By donating, you can make a difference.

The Municipal Shelter Spay - Neuter Fund is the result of AB2291, introduced and sponsored by Concerned Dog Owners of California.

The Fund is administered by the CA Department of Food and Agriculture.
